My Resume

Flutter & Dart mobile developer — Android · iOS · Web

ABOUT ME

Mobile developer with **3 years** of successful experience delivering high-quality projects for Iranian and international companies. I design and build professional **cross-platform apps (Android, iOS, Web)** with Dart and Flutter. Key projects include the advanced AI chatbots **Dana, Findora and Doktorify**, along with hands-on experience taking apps through the full App Store and Google Play release process.
